#### 2023-24 School Description and Mission Statement

Toyon Middle School is the sole middle school in the Calaveras Unified School District. It provides a transitional experience for 6th, 7th, and 8th grade students coming from five elementary schools of quite disparate communities. The veteran staff is highly competent and caring and has a genuine interest in, and enjoyment of, students at this unique stage of development. Toyon Middle School provides opportunities for students to engage in a variety of academic classes provided by teachers who are specialists in their subject areas— in both the core academic and elective subjects. Our mission is to create an educational environment that provides all individuals with the tools needed to become life long learners and to responsibly participate in our democratic society. We strive for continuous improvement in multiple areas--in our academic achievements, in acceptance of both personal and civic responsibilities, in our appreciation and understanding of the arts, in our personal health and wellbeing, and in our respect for ourselves, our diverse community, and our environment. Our Schoolwide Learner Outcomes are that we Are safe, Respectful, and Engaged Toyon warriors.

### **B. Pupil Outcomes**

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	16	9	17	16	33	34

### 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

### 2023-24 Opportunities for Parental Involvement

TMS is committed to increasing opportunities for parent involvement in the education process. The TMS Parent Club coordinates fund raising and parent volunteer services in support of the school's activities and mission. Parents help chaperone Toyon's dances and field trips, and they help to organize promotion celebration activities. Additionally, parents participate in school governance as members of the school site council, ELAC, and they actively support our athletics, music, art and academic programs. TMS invites parents to join their students for a Warrior Welcome, a beginning of the year orientation, to learn about our program and expectations for students at TMS. We also hold at least one Family Night each year to showcase our student work in our elective program. Parents are invited to the monthly Student of the Month breakfast sponsored by the local Rotary, and are invited to the yearly Every Student Succeeding breakfast sponsored by ACSA. There is consistent communication between school and home to communicate student needs and successes. We have a strong SST process that involves parents in identifying the challenges of students and developing an action support plan to assist them academically and behaviorally.

#### 2023-24 School Safety Plan

Safety of students and staff is a primary concern of Toyon Middle School. The Comprehensive Safety Plan was developed by the school safety team in consultation with local law enforcement, the County Office of Education, and the Calaveras Unified School District's central office administration in compliance with Senate Bill 187. The plan is reviewed and revised by a committee of TMS administrators, teachers, parents, and district representatives. The key elements of the Safety Plan include behavioral data, attendance data, campus climate data, crime data, child abuse reporting procedures, disaster procedures, suspension/expulsion procedures, harassment and bullying policies, dress code rules, procedures for safe ingress and egress of pupils, and mental health/social-emotional resources available for students. The Safety Plan is revised and affirmed on yearly basis by the School Site Council, Safety Plan Committee, and Board of Education. It was reviewed by SSC on February 10, 2022 and January 26, 2023.

Toyon Middle School has a safety team made up of teachers that meets quarterly to review school safety. Toyon also fosters a culture of respect, academic achievement, civic engagement, and personal responsibility. Through a variety of activities both in and out of the classrooms (Second Step Lessons, student government and leadership, school athletics, Breaking Down the Walls, FNL Mentoring, etc.), we model and provide opportunities to practice these values.

### **Professional Development**

Toyon Middle School is committed to effective and meaningful professional development to further enhance the academic program by implementing 21st century learning strategies that include collaborative environments, project based learning, use of formative assessments to drive instruction, and analyzing assessment data to identify strengths and target areas. During the 2023-2024 school year, we have allocated 3 Core Days and 22 co-planning days for our staff to work together to collaborate, evaluate, and develop teaching and learning strategies that enhance student learning and align with the common core standards as well as Social Emotional Learning Standards. TMS sends many teachers to conferences and workshops focused on formative assessments, training for CAASPP, Project-Based Learning practices, SEL, and 21st century instructional strategies. Student Performance data suggests that instruction is improving in the classroom and students are engaged in the curriculum. Administration and the Site Leadership teams continually monitor the implementation of these practices through classroom observations, teacher mentor partnerships, student performance data, and reviewing curriculum.
